GreenClean 2012 Conference

AVOID CONFLICTS

This annual conference is open to all dry cleaners interested in building a prosperous future for themselves and their business - not just GreenEarth affiliates.

Your attendance and participation is important to us. So many delegates got so much from the most recent meeting in Adelaide that we want to build on its success. We've tried to avoid as many date conflicts as we know about. Please make a note of these dates.

More details to follow. Great venue and **warm weather** with some pleasant unexpected surprises as always. Stay tuned.
